**20% off lowest tuition of each additional child enrolled**

**Priority Due Date**—You must pay tuition before the priority due date to guarantee your class spot.

Registration Week is the week before the priority due date in which currently enrolled student can re enroll in the classes that they are currently registered for. After the priority due date students that have not re enrolled are drop from the class enrollment for the following term. Payment for tuition is due at the time of enrollment. New students are required to fill out a family registration form

All class pricing takes into consideration all camps, holidays and closings.

A student may enroll at anytime during a term except for the last week as long as there is a vacancy. Class fees will be pro-rated relative to your start date.

**No refunds or credits for dropped or missed classes.** Once a term has commenced you are in the class for the entire term, regardless of attendance, except for Medical Reasons for dropping a class. (see below)
