"Chicago Style"

In 2001, Illinois Gymnastics Institute moved into a new 35,000 sq. ft. facility designed to provide FOCUSED gymnastics training in a SAFE, PROGRESSION ORIENTED environment. Our efforts to facilitate fun, excitement and teamwork in all aspects training have been a catalyst to many other programs. By integrating Nationally competitive staff members, National Team Members, Elite athletics, Collegiate athletes and International Competitive experiences, we're prepared to help our campers reach their training and development goals.

How can all this be done in one week?

Well, the reality is that the discipline necessary to achieve the intended results must be brought back with the athletes into their own gym. That's why we encourage entire TEAMS to join us for the week. Including their coaches. This can help the athletes bring as much of the "feel" back with them along with new drills, training ideas, and camaraderie.

Why "Chicago Style" Gymnastics Camp?

It is our belief we have compiled a top notch coaching staff with an incredible training facility at a reasonable cost. Not to mention it's a ton of fun.

Housing Information

Resident Campers will be staying 5 miles away in the Marriott Hickory Ridge Hotel. All meals are provided, lunches are served at the training campus. Campers may purchase a variety of items from the camp store (grips, leotards, snacks, etc.) For your convenience money can be placed in an individual account ahead of time (cash or check only). This money may also be used for miscellaneous items such as snacks, souvenirs, etc. during our evening activities. All remaining funds are returned prior to lunch on Thursday.

Activities

IGI's campers are not limited in their election of evening activities. For resident and commuter campers, all evening activities (including admission fees) are provided by Chicago Style Gymnastics Camp.

Typically there is a night for bowling, skating, swimming and open gym time. During previous years we have also designed t-shirts, had scavenger hunts, etc. It really depends on the personalities of the campers each week.

Staff

Our Staff is compromised of many highly-skilled coaches from private club and college who coach all levels from beginner to elite, as well as our very own coaching staffs..

Due to a limited enrollment, it is suggested that gymnasts interested in attending should register and reserve a space as soon as possible.
